Building a better beer list

3pm till 4.30pm Thursday, 20th October, 2011

BMW Edge, Federation Square, Melbourne

(The Microbreweries Showcase then runs till 8pm)

The Victorian Association of Microbreweries Inc, in conjunction with the Fed Square Microbreweries Showcase, invites you to join us for an industry education event aimed at helping sommeliers, and other industry professionals, with beer list development.

Facilitated by James Greenfield, the Beer Guy at Josie Bones, participants will be taken through a tasting of eight Victorian microbrewed beers. James will discuss the details of each beer presented and offer some food pairing suggestions.

Each participant will also receive a complimentary pass to the Microbreweries Showcase held that evening in the Fed Square Atrium where they will be able to sample the wares of over 20 Victorian microbreweries.
